Origin of the Walum Olum

The Lenni Lenape Indians, the "original people," invaded eastern Pennsylvania and settled in our region in about 1000 A.D. The first recorded history of the tribe was entered in a "book" of birch bark plates called the "Walum Olum." This was the first book of recorded history is eastern America. We, therefore, have named our first chronicle the **Walum Olum.**

DEDICATION

The class of '64 has experienced moments of triumph and moments of despair. These victories and defeats were perhaps more evident on the gridiron than in any other facet of school life. In the early years of our educational career football failure far out-weighed success, but any goal worth attaining is worth waiting for. Who will ever forget the exciting night that Upper Perk broke a twenty-three game losing streak to defeat North Penn High School, and who will deny that this was not only a football victory but a moral triumph as well? From that day on, school spirit and pride in our Alma Mater have been rising steadily. We have waited six years, and now as seniors our faith in the team and the school has finally been realized by the winning of the Buxmont championship. This renewal of spirit and pride in school is due to the concerted effort of Mr. William Keeny and his staff of six excellent coaches: Mr. Michael Duka, Mr. Philip Jones, Mr. Walter Schmidt, Mr. Richard Werkheiser, Mr. Barry Slemmer, and Mr. John Olson. We would, therefore, like to honor with this dedication these seven men, who have done so much for our school.

During your high school career you have known moments of pleasure, moments of frustration, and moments of anger. During all of these experiences you have had one goal in mind — to graduate from high school. You have now come to achieve that goal and for this, each one of you deserves to be congratulated.

I hope that in the process of preparing for graduation you may have developed a zest for learning. We know that life-long learning is a necessity and that self-education is the key to learning. I hope that your horizons have been enlarged and that the encouragement and inspiration that you have received from your teachers and your parents have created in each one of you a climate for learning, a desire for personal growth, and a willingness to assume that personal responsibility to contribute your share to making this world a better place for future generations to enjoy.

Be assured of my sincerest wishes for your continued happiness and success.

FLOYD W. BOYER
Supervising Principal

You have the honor of being a member of the largest class to graduate from the Upper Perkiomen High School. Congratulations!

Your chosen theme, "The Curtain Rises," is a very appropriate and significant one. As the curtain rises at your graduation, you are suddenly thrust into a new sphere.

You have prepared yourselves well during your high school days for this initial thrust.

However, during your lifetime many more curtains will rise before your eyes. In future years may you be as well prepared to face those challenges as you are now.

Best wishes!

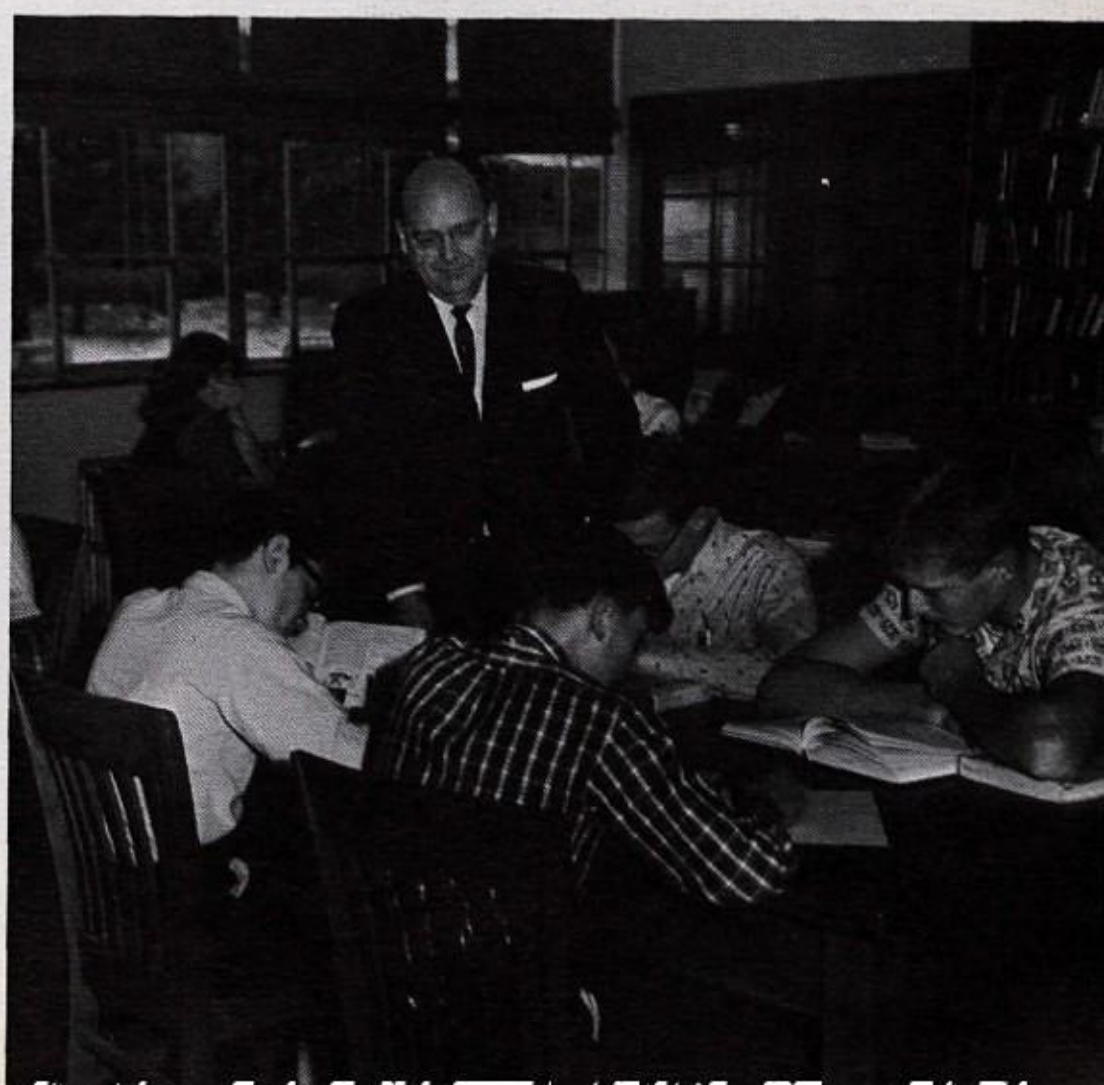
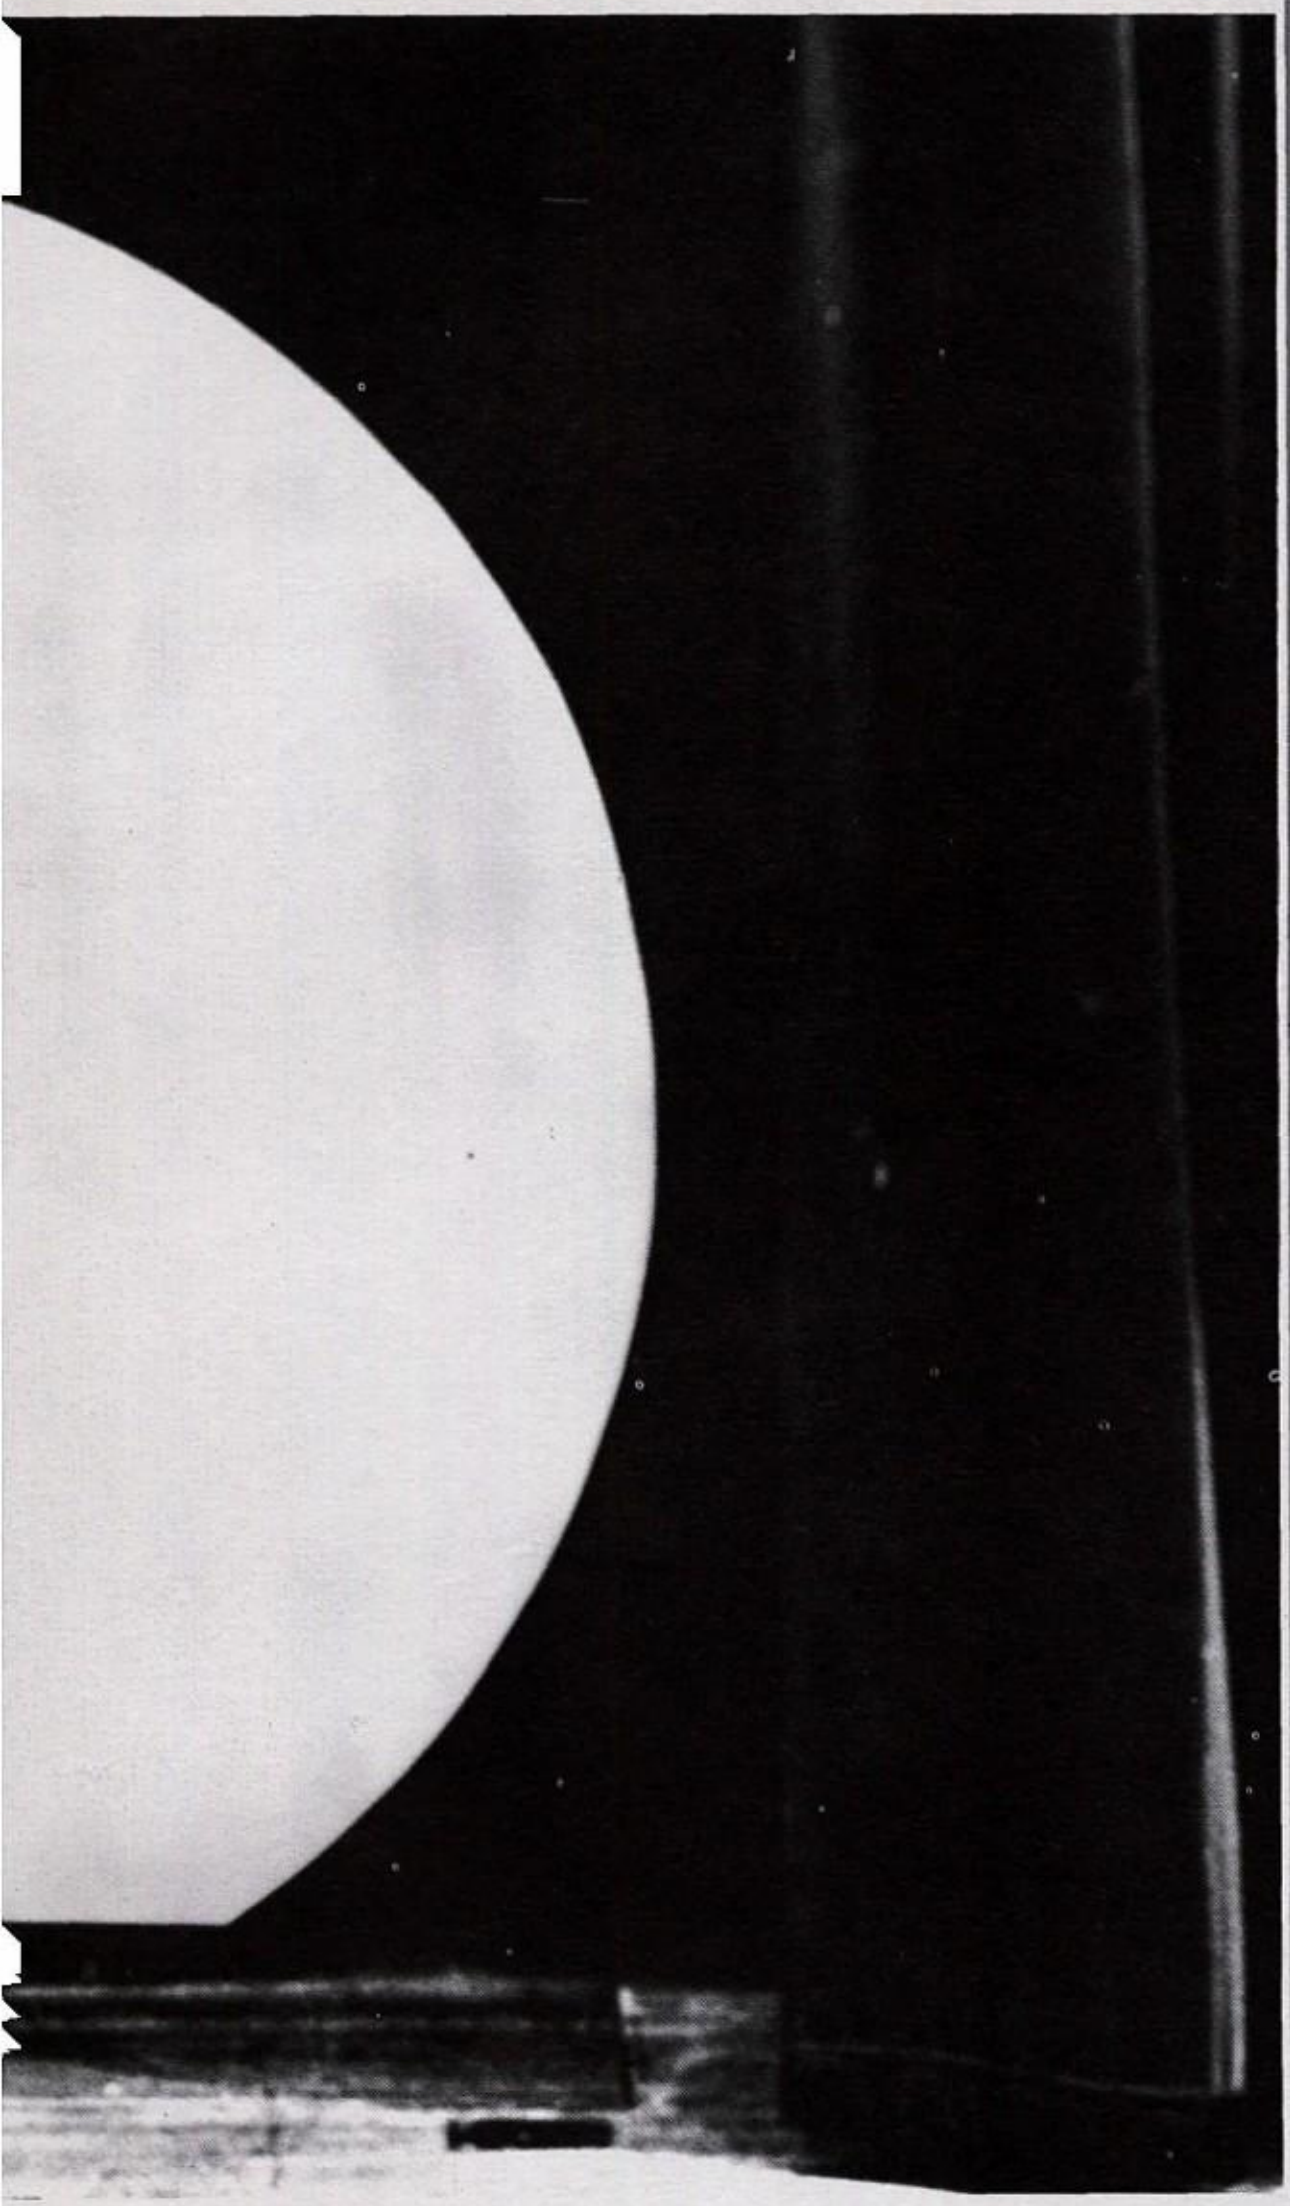
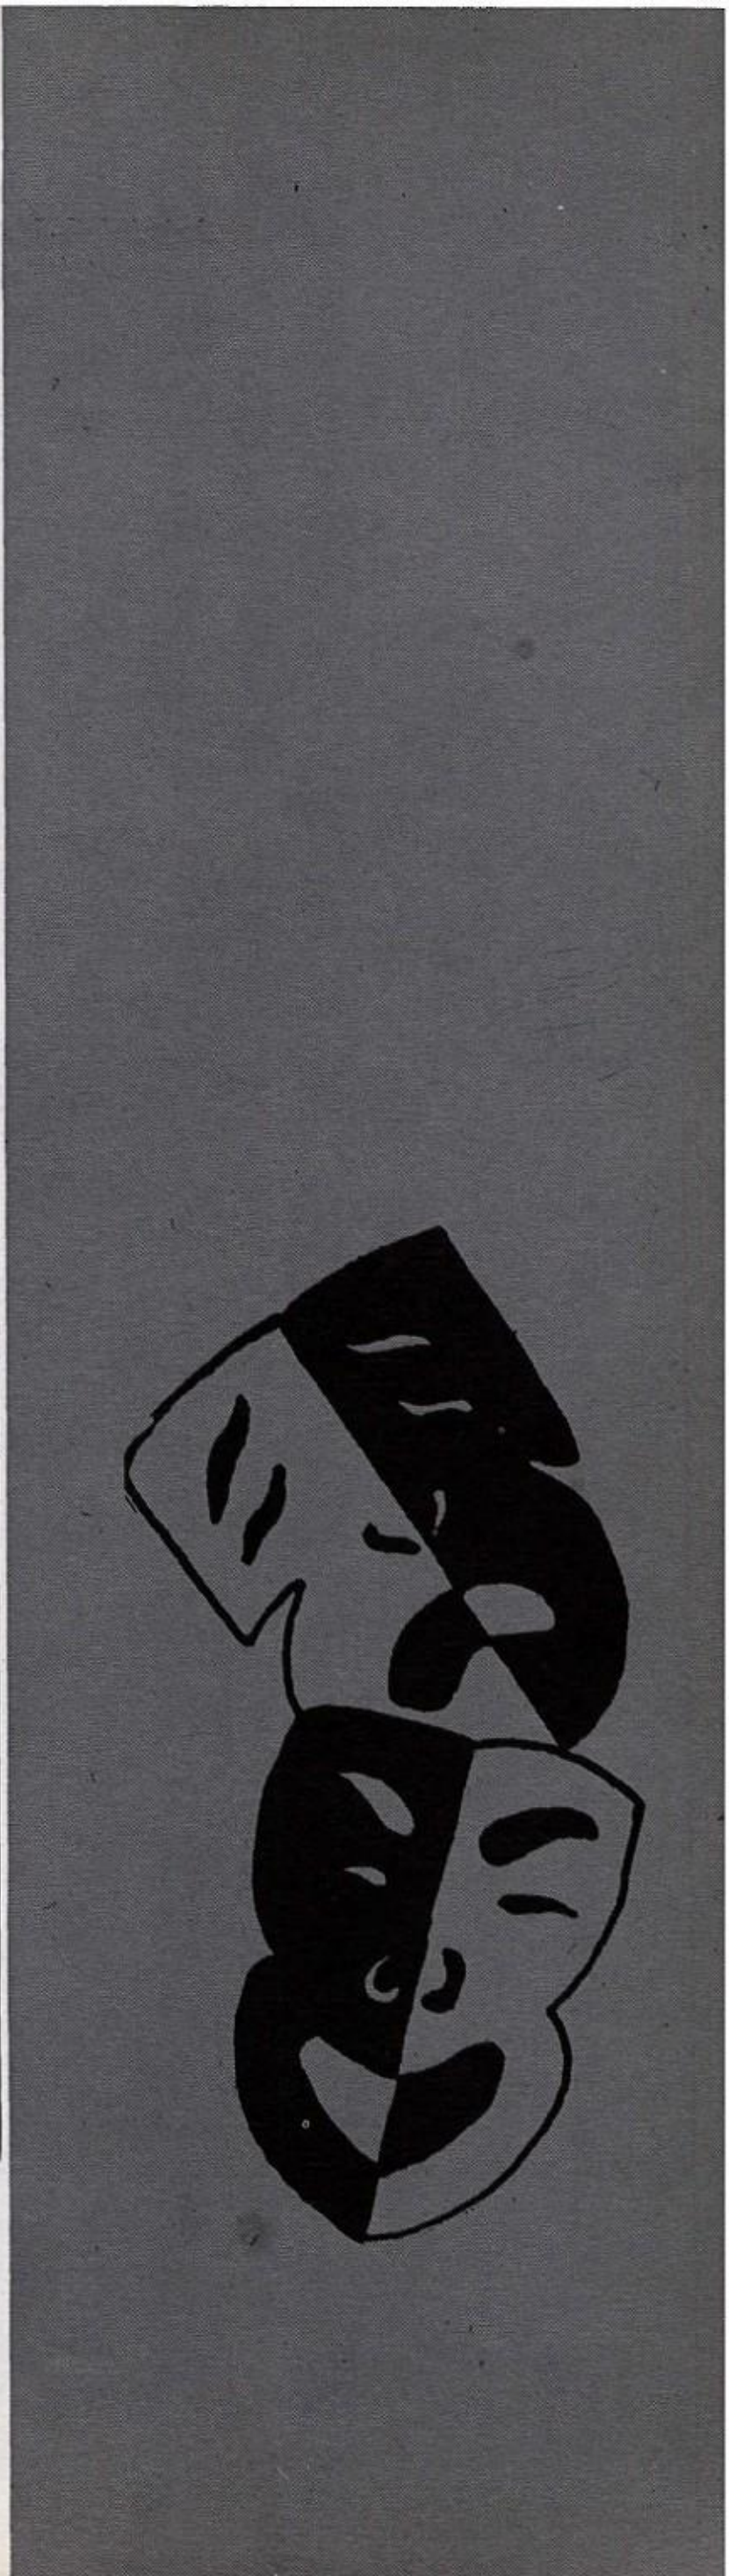
"Can't we ever get anything done in this class?" — Mr. Schlegel

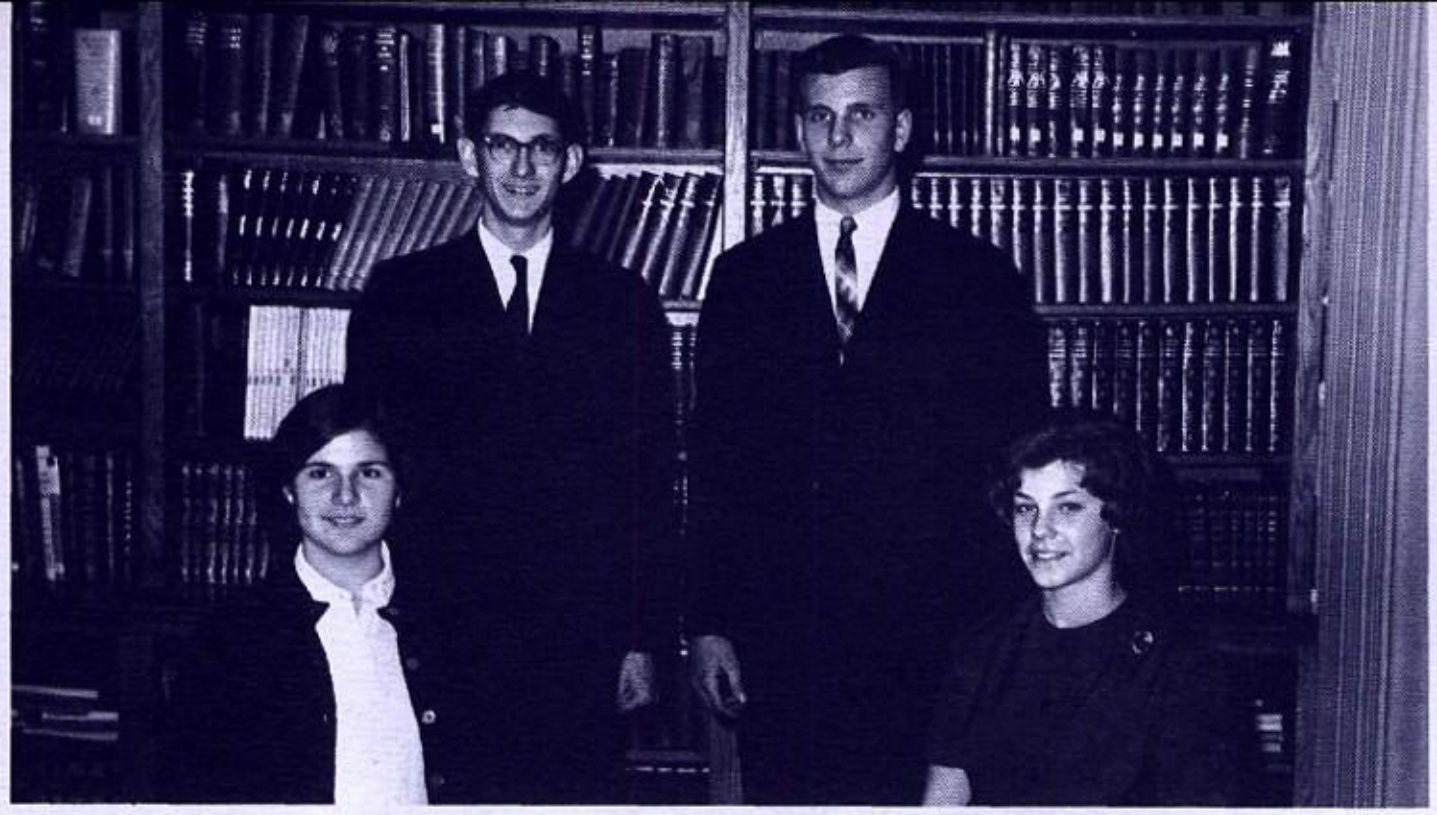


The PERFORMERS Must





Rehearse Their Parts



SENIOR CLASS OFFICERS: Vice-President — Ann Styer, Treasurer — Curtis Kistler, President — William Cleaver, Secretary — Betty Lou Gehman.

Senior Class History

As we the class of 1964 approach the end of our high school years, our preparation for assuming our rightful places in society can be likened to the efforts of a play cast rehearsing for their final production.

In our freshman year we made initial tryouts for individual roles; we selected different curricula and thus determined the parts we would play on the stage of the future.

As sophomores we began the actual work of preparing our parts with more intensive study and keener competition. First on the agenda of the school year was the election of officers as follows: William Cleaver, President; Curtis Kistler, Vice-President; Suzanne Lechner, Secretary; and Jay Mastin, Treasurer. Class hats, emblems, and colors — royal blue and white — were selected. Most of us will remember with fondness the sophomore hop, "Oldies but Goodies."

Work on the production progressed rapidly in the junior year with the realization that the future was fast evolving into the present. Again William Cleaver presided as President with Curtis Kistler, Suzanne Lechner, and Ardythe Hersh filling the remaining posts. The junior play, "Fair Exchange," gave many of us an opportunity to test our acting abilities. The year 1963 marked the first year of U.P.'s participation in a foreign exchange program; we received two students from abroad and sent one of our own classmates to Costa Rica. The year's climax for all of us was probably the junior prom, "Soir a Paris," held January twenty-sixth.

Our senior year marked the dress rehearsal and final efforts towards the success of the play. The following officers were chosen as class leaders: William Cleaver, Ann Styer, Betty Lou Gehman, and Curtis Kistler. Once again U.P. played host to an exchange student, who soon became well-known and liked by classmates. The concerted efforts of all committees made the senior prom, "Fantasia," a delightful experience and a fond remembrance, while the thespian talents of the class were again displayed, this time in a drama, "The Night of January Sixteenth." The class trip to New York's World's Fair climaxed a full and hectic year.

And now rehearsals are completed, places are taken, and the stage is set. We are ready for our debut.

VARSITY FOOTBALL

This year's Turkey Day Spectacular was the most talked about game of the season and by far the most important one for Upper Perkiomen. It, in effect, brought to a peak a rekindled spirit in school sports.

The game started slowly as a powerful defensive struggle with the first quarter going without score. With a few minutes to go in the first half, Dennis Kleinbach broke the deadlock with a seventeen yard T.D. pass from Stan Graber. Penalties and a dogged U.P. defense kept Souderton scoreless while Indian fullback, Fran Schwenk, added twelve points with two short runs. The game ended in a 21-0 victory for Upper Perk.

By emerging the winner, the team accomplished a task never before equaled in the history of Upper Perkiomen football — they won a Bux-Mont Championship. For this reason and for the exciting moments of the game itself, this year's Souderton game will live forever in everyone's memory.

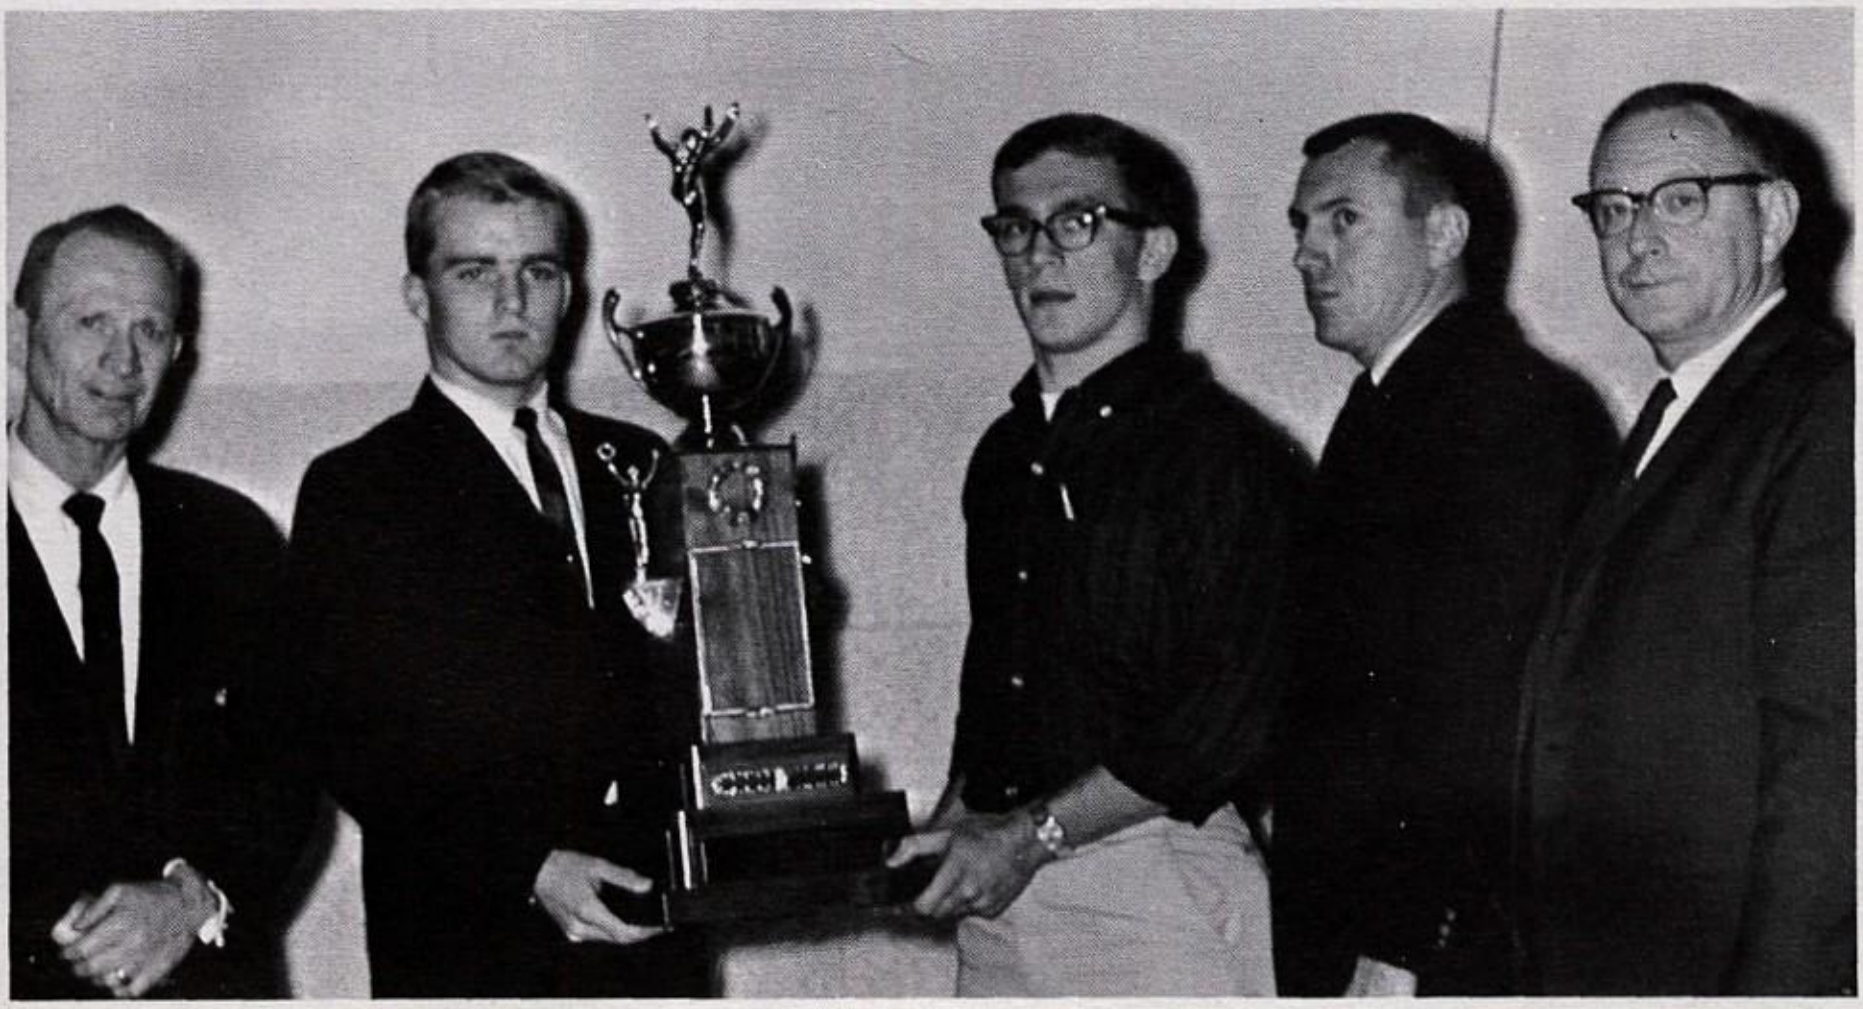
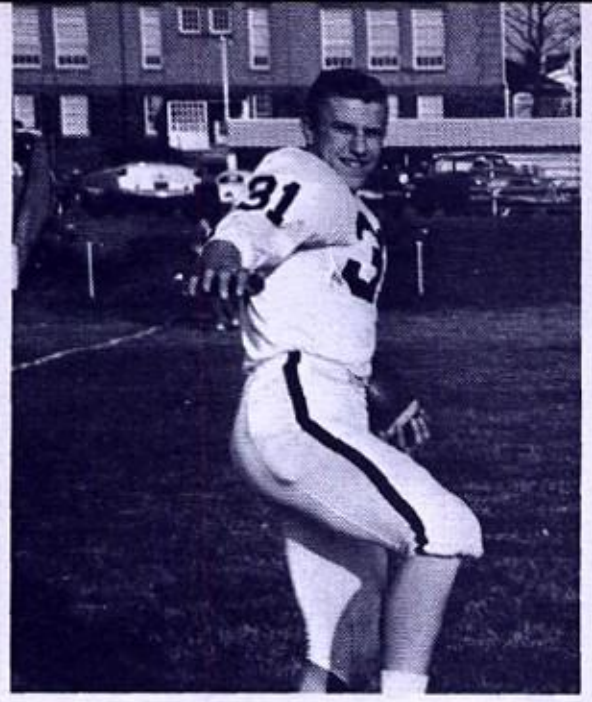
A SALUTE TO THE CO-CHAMPS

Souderton presents Thanksgiving Day trophy.



A YEAR

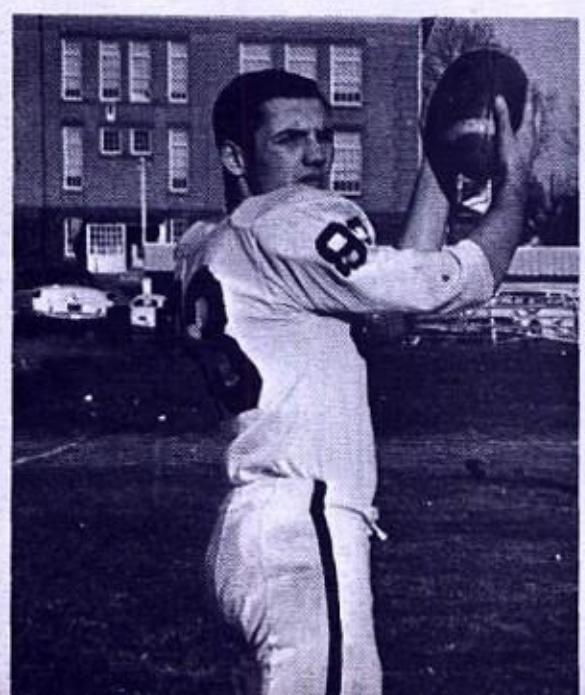


COUNTERCLOCKWISE: Perry Breyer, Bill Cleaver, Ed Dobrzynski, Gary Freed, Gene Gaugler, John Germes, Ron Hilbert.

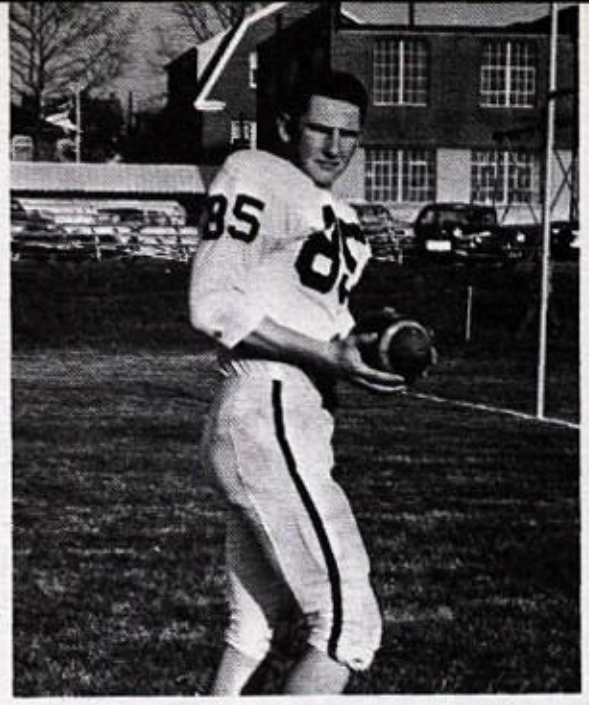
It was a year of firsts for Upper Perkiomen Football — for the first time Upper Perk brought home a Bux-Mont Championship, for the first time the Thanksgiving Day trophy rested in our trophy case, and for the first time a class graduated whose gridiron players had an overall winning record in Bux-Mont competition.

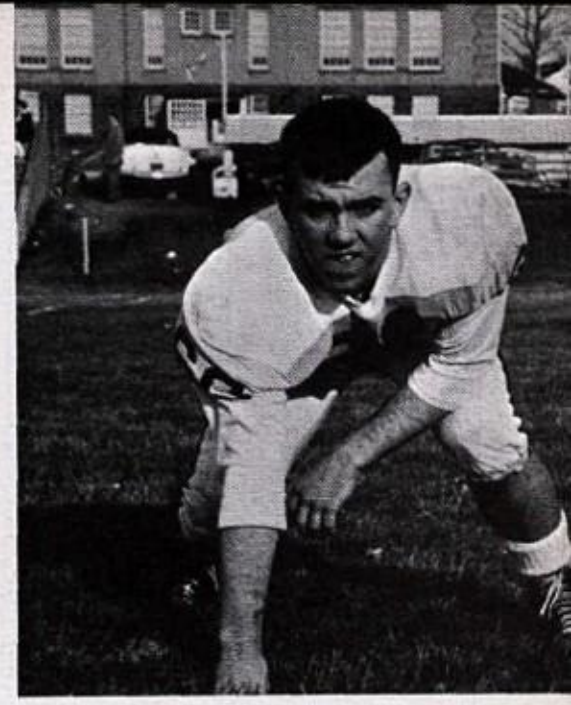
This year's mighty warriors will not be soon forgotten in the annals of Upper Perk sports. Attesting to this fact was the presence of a larger number of boys on this year's All-League Team. Dennis Kleinbach, Mike Witman, and Jay Mastin were named to the first offensive team while Kurt Weiss and Barry Kline made the first defensive unit. Nine Upper Perk boys received honorable mention: Stan Graber, Ray Bowlin, Denny Hunsberger, Tom Weidner, Fran Schwenk, Denny Kline, Bill Cleaver, Gary Freed, and John Germes. Three of our offensive greats were given the honor of being named to the All-State Team. These were Jay Mastin, three-year star halfback, Dennis Kleinbach, one of the best pass-receiving ends in the Bux-Mont League, and Stan Graber, junior quarterback.

On September 20 the Indians engaged Boyertown under the lights in a pre-season battle. After a scoreless first half, quarterback Stan Graber ran for a T.D. giving a lead of 6-0. Later Ed Dobrzynski, "the toe," kicked a three-point field goal to give Upper Perk a 10-0 victory. By ousting the Central Bucks Buccaneers 22-0, the Upper Perk eleven won their first Bux-Mont game. Three T.D.'s and another field goal by "the toe" accounted for U. P.'s points. Continuing their winning ways, the Keenymen defeated Springfield 21-6. Graber passed for two T.D.'s and Galen Dulin scored on a 40-yard run.

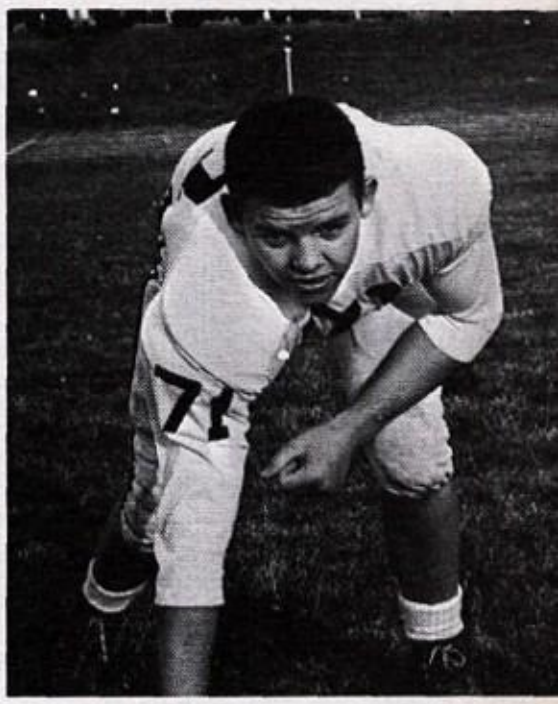


OF FIRSTS





CLOCKWISE: Barry Kline, Dennis Kline, Dennis Kurtz, Jay Mastin, Steve Roth, Tom Weidner, Mike Whitman.



The next Saturday afternoon the Hatters of Hatboro, defeated 32-7, fought a stiff U. P. defense, which allowed only one score late in the fourth quarter. The tribe's next victim was Wissahickon. The Trojans gave Upper Perk fans an early scare, but the Indians came back to win 46-19. Barry Kline provided the game's biggest thrill with a T.D. pass-run of over 80 yards. Next week the Keenymen dealt with the highly rated North Penn eleven in the same manner, defeating the Knights 14-0.

As they did last year, the Panthers of Quakertown trimmed U.P.'s feathers. The game was played on an extremely muddy field with a U. P. rally coming too late to overcome a 23-14 score. However, the Indians bounced back the following week, crushing Upper Moreland 41-13. Junior Fran Schwenk scored three T.D.'s this game. The next two battles will live forever in U. P.'s football history. In what has been called one of the most thrilling of all Bux-Mont games, U. P. defeated Pennridge 14-13 with Graber capturing both Indian scores. Jay Mastin and Fran Schwenk gained 80 and 133 yards respectively against the Rams, and Ed Dobrzynski kicked the extra points giving U. P. the winning margin.

On Thanksgiving Day — with a larger attendance than ever before, with fans more hopeful than ever before, with so much depending on this game — Upper Perk defeated Souderton 21-0, thus tying the Big Red for the Bux-Mont Championship. It was the game of the year — and for U. P., the biggest game of many, many years.

Upper Perk won its first Bux-Mont Championship. The players who earned it and the fans who supported them have a right to be proud and satisfied. The boys worked hard and sacrificed much to bring this honor to our school. It was a year well spent by all — players, coaches, and fans alike — and it was a year that will be well remembered.

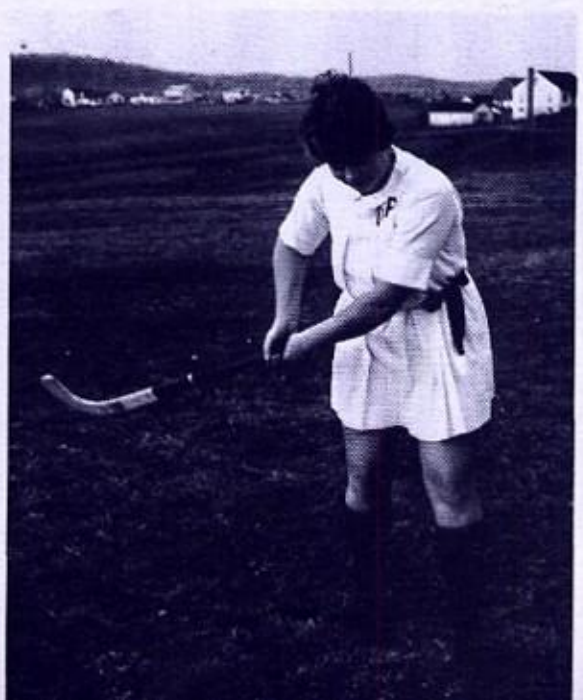
SQUAWS FINISH

COUNTERCLOCKWISE: Sandy Beller, Linda Endy, Carol Fogel, Susan Gabel, Connie Gaskill, Paulette Gebert, Carol Greiss.

The varsity hockey team of 1964 is proud to have completed the most successful season since Upper Perk entered the Bux-Mont League. Although it did not win the championship, it finished in third place, missing second by a small margin. This position was captured as a result of hard practice, skills learned at hockey camp, and Miss Kathleen Moyer's excellent coaching.

Upper Perk succeeded in winning its first three games from Emmaus (in a practice game), Hatboro, and Upper Moreland. It downed the Hatters 3-1, thanks to Sandy Haller's three goals. Upper Moreland was defeated 3-2 as the Upper Perk defense made a fine stand. Sandy added another score to her excellent record, and Carol Greiss tallied two goals.

The Souderton game, the most important one, proved to be Upper Perk's first defeat. Ann Stevens scored the only U.P. goal as the Squaws lost 3-1.



IN THIRD PLACE

CLOCKWISE: Sandy Haller, Darlene Kuryllo, Elaine McLean, Charlotte Roberts, Gayle Schultz, Ann Stevens, Bonnie Stevens.

Determined not to lose again, Upper Perk captured three more wins. On the North Penn field, a quick-moving game ended in a 1-0 victory. Carol Griess's powerful drive resulted in the only goal of the game. Pennridge proved to be stiff competition, maintaining a 1-1 tie score until the last few minutes of the game. As Carol Greiss executed a perfect assist, Sandy Haller pushed the ball into the cage. At Wissahickon, Upper Perk completely dominated the game, with Jane Baver and Carol Greiss scoring the only two goals.

Again on the home field Upper Perk suffered a heartbreaking 4-3 defeat to Quakertown. Sandy Haller and Carol Greiss scored for Upper Perk.

The final game was played on a very cold day at Central Bucks. A last minute Central Buck's score cancelled Sandy Haller's earlier goal, and U.P. surrendered her first tie.

JUNIOR VARSITY

Despite a promising display of skills, sportsmanship, and the fine coaching of Mrs. Annette Bishop, the Junior Varsity won only two games, tied two, and lost four. Pennridge and Wissahickon fell to the young squaws while Hatboro and Central Bucks succeeded in tying. We congratulate the girls on their determination and enthusiasm and hope that their efforts will bring them a successful season next year.

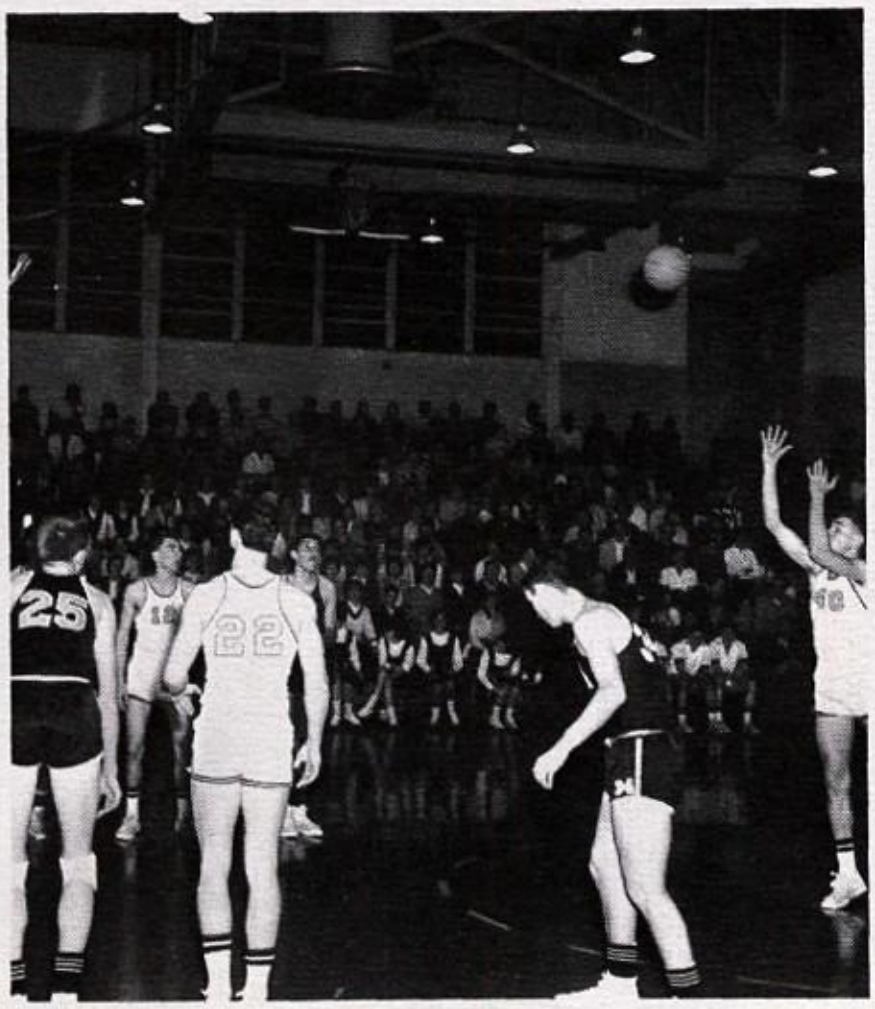
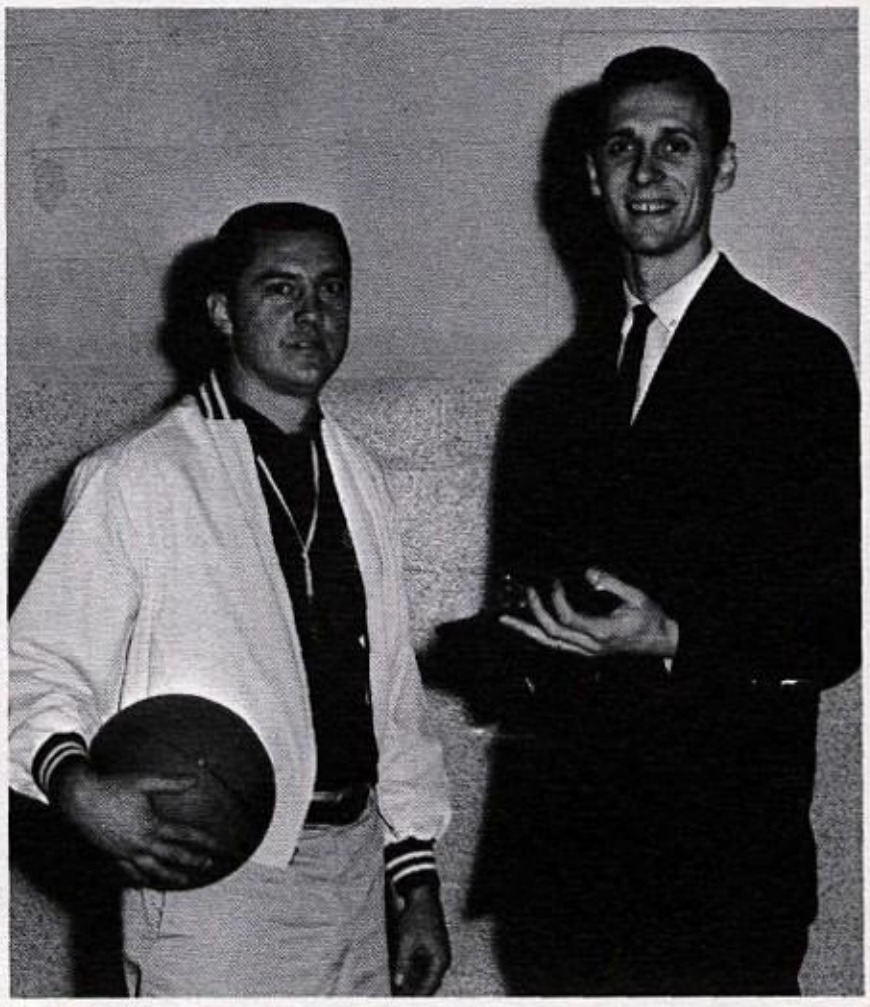
VARSITY BASKETBALL

COACHES: Michael Duka and Stephen Ruby.



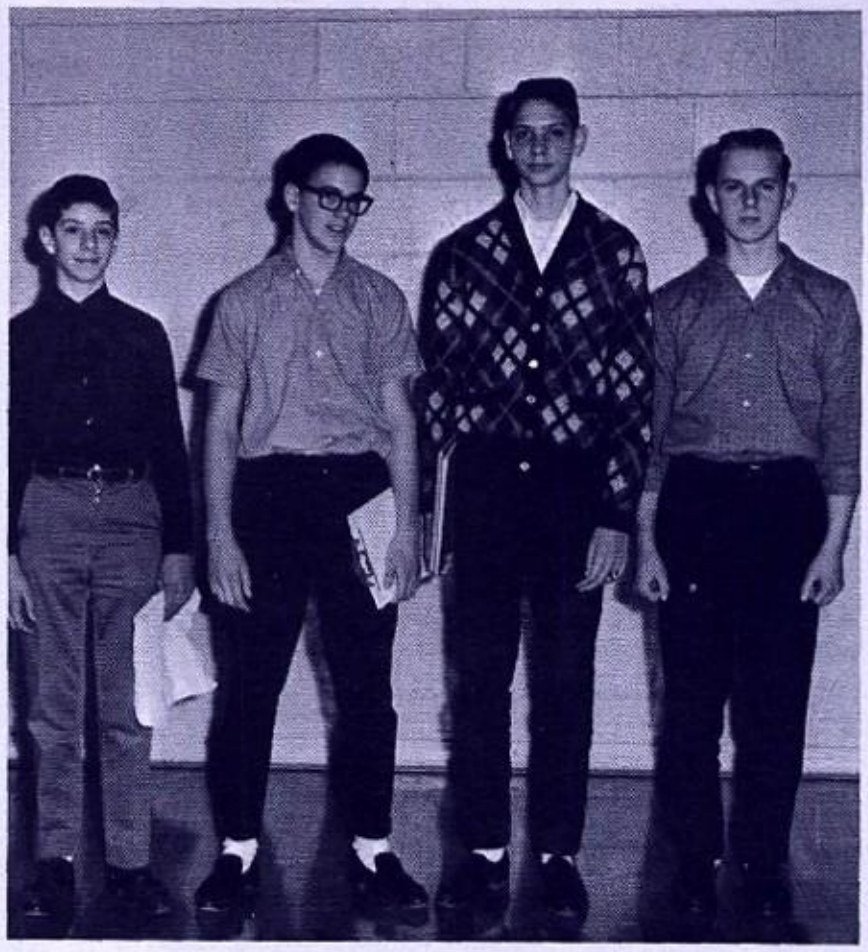


INDIANS
(W)HOOP IT UP

Rebuilding began this year for the inexperienced Indian five. Under the new head coach, Mr. Stephen Ruby, the tribe had difficulty in the beginning of the season, but later, with the added experience and confidence that comes from playing varsity ball, they added some fine victories to their record.

The youthful team had only one senior in the starting lineup and only three others on the squad. Coach Ruby, who played college basketball at West Virginia, was looking to the future as he started juniors Stan Graber and Dennis Kleinbach, senior Barry Kline, and sophomores Jim Young and Rusty Engle. Rounding out the squad were John Roth, Donald Marks, Allen Beard, and Keith Kleinbach.

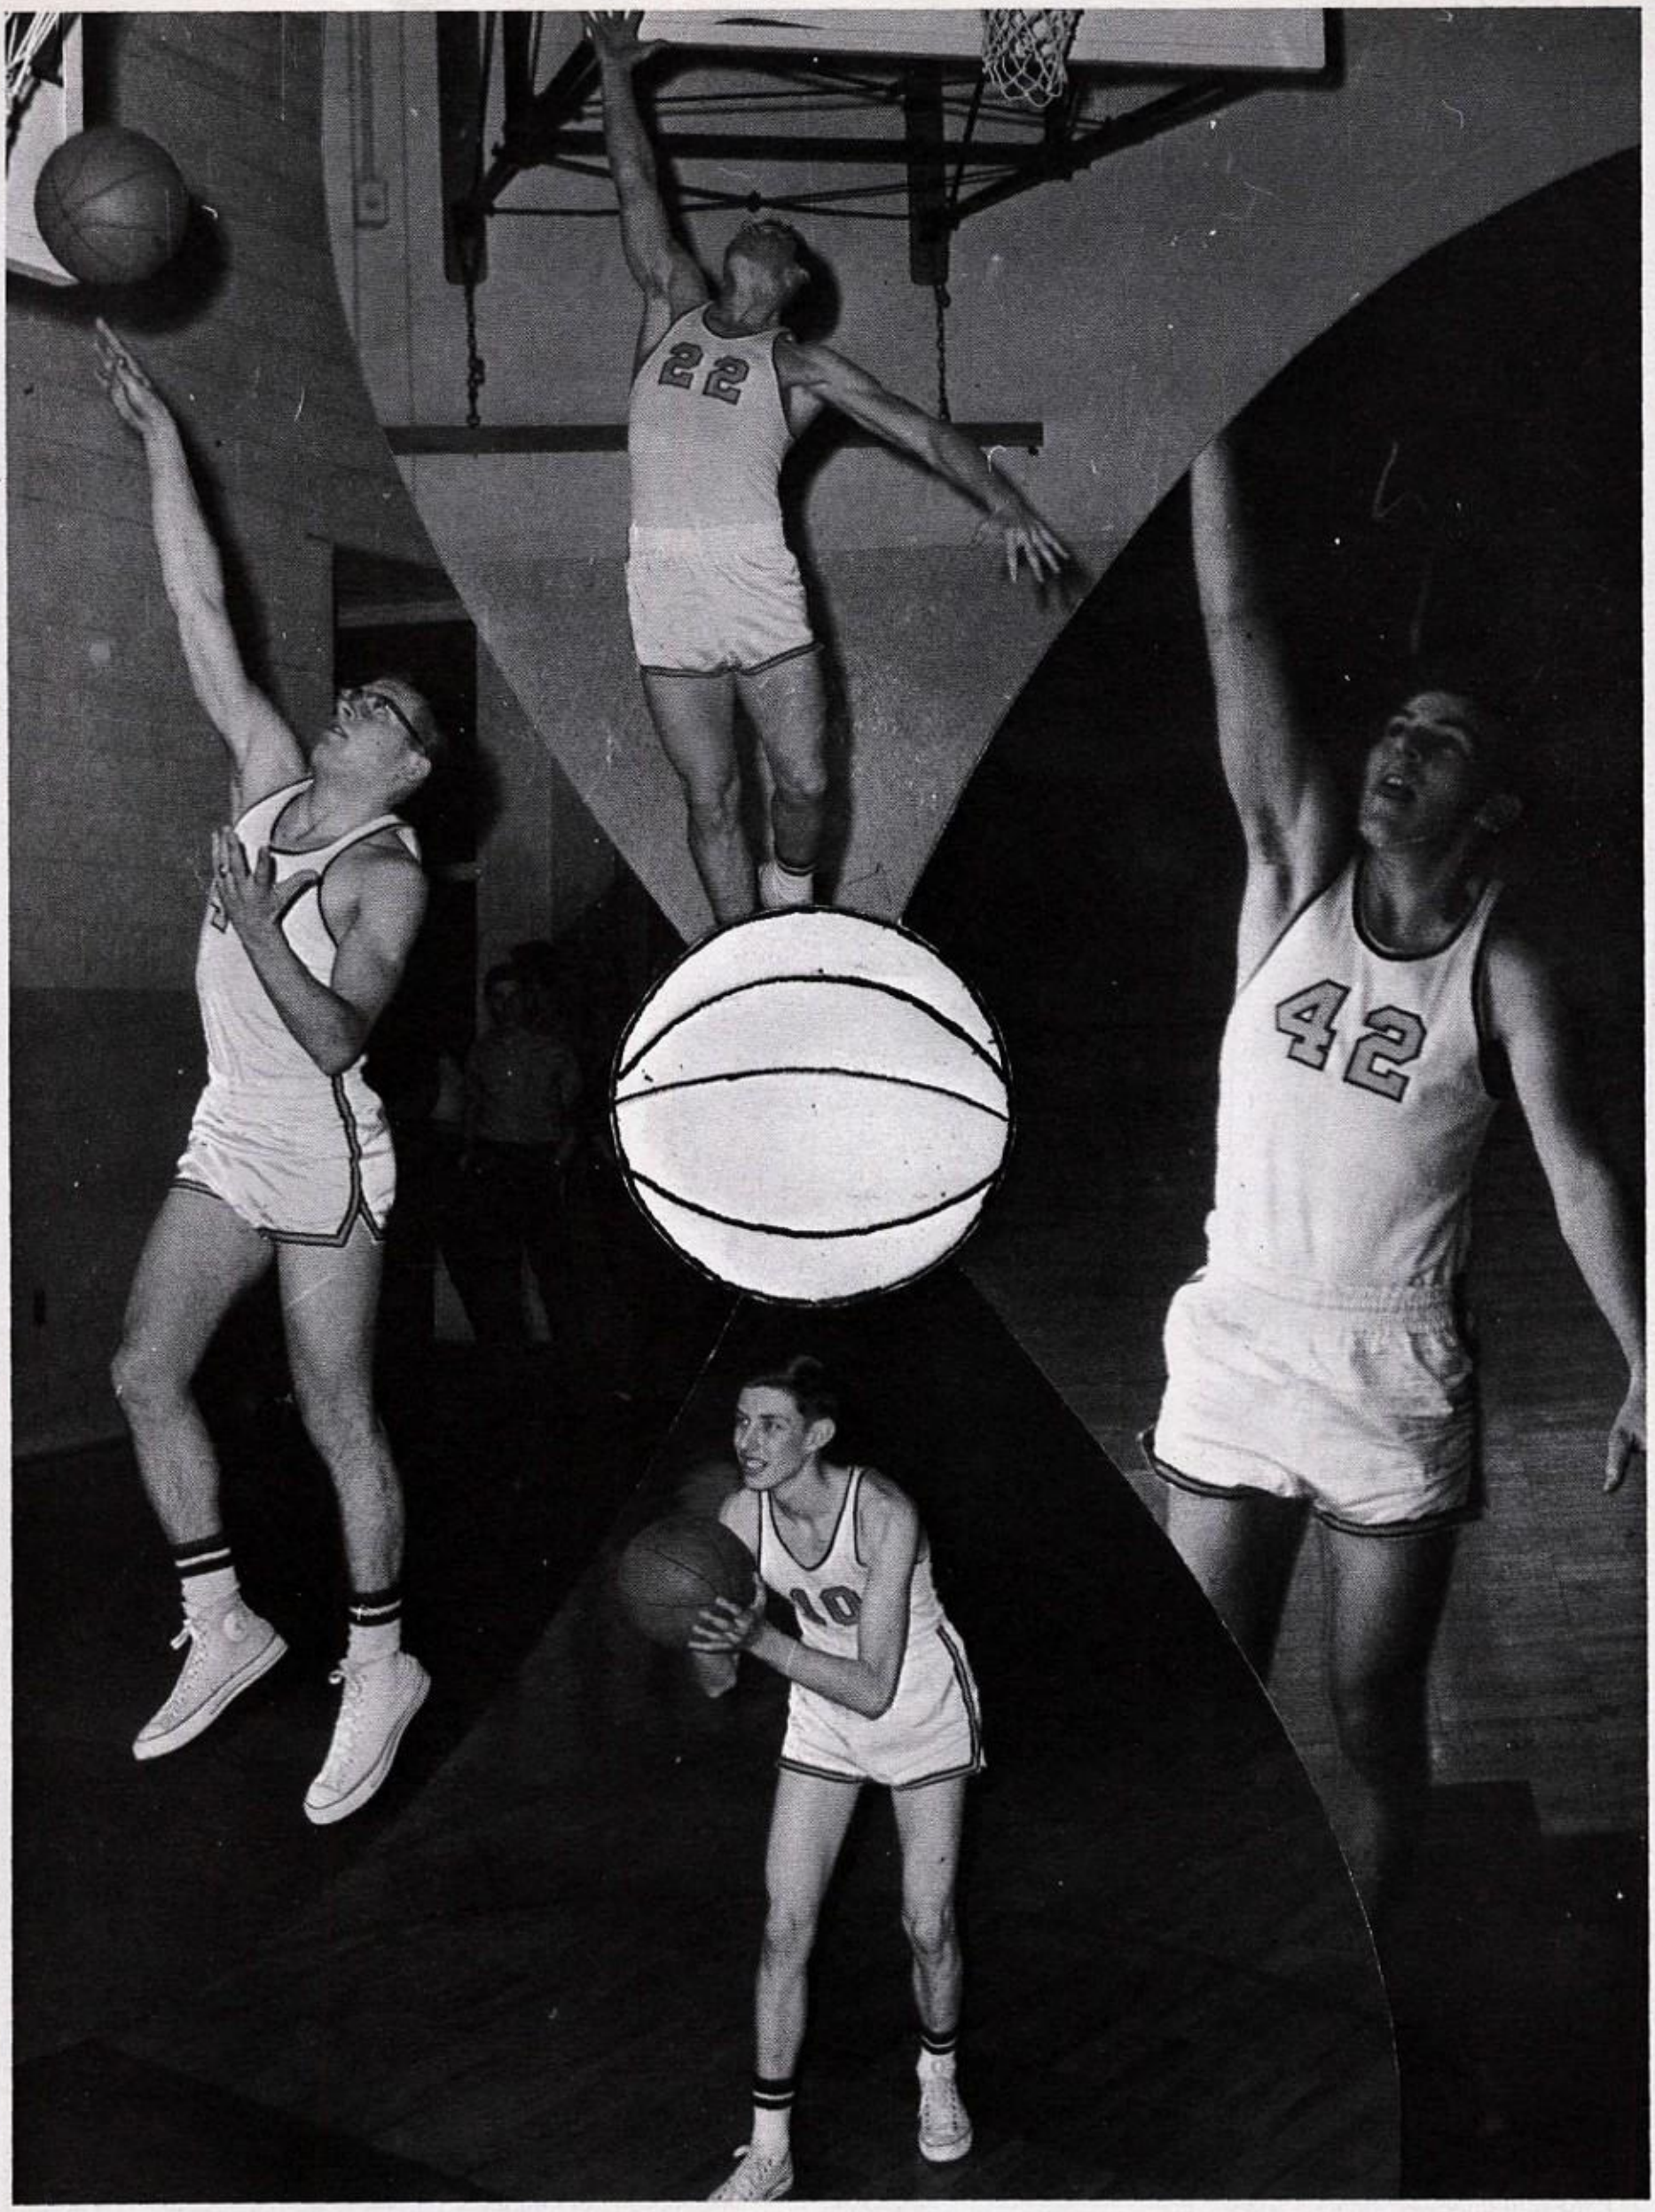
The season started slowly with the young braves dropping eight games before gaining a victory. The Boyertown contest will long be remembered because the 84-31 defeat came as a shock to U.P. fans. Toward the middle of the schedule, however, things began looking more hopeful, and the Tribe finished the year with several fine triumphs. Among these were Souderton and, surprisingly, Upper Moreland, which had been in contention for the league championship.



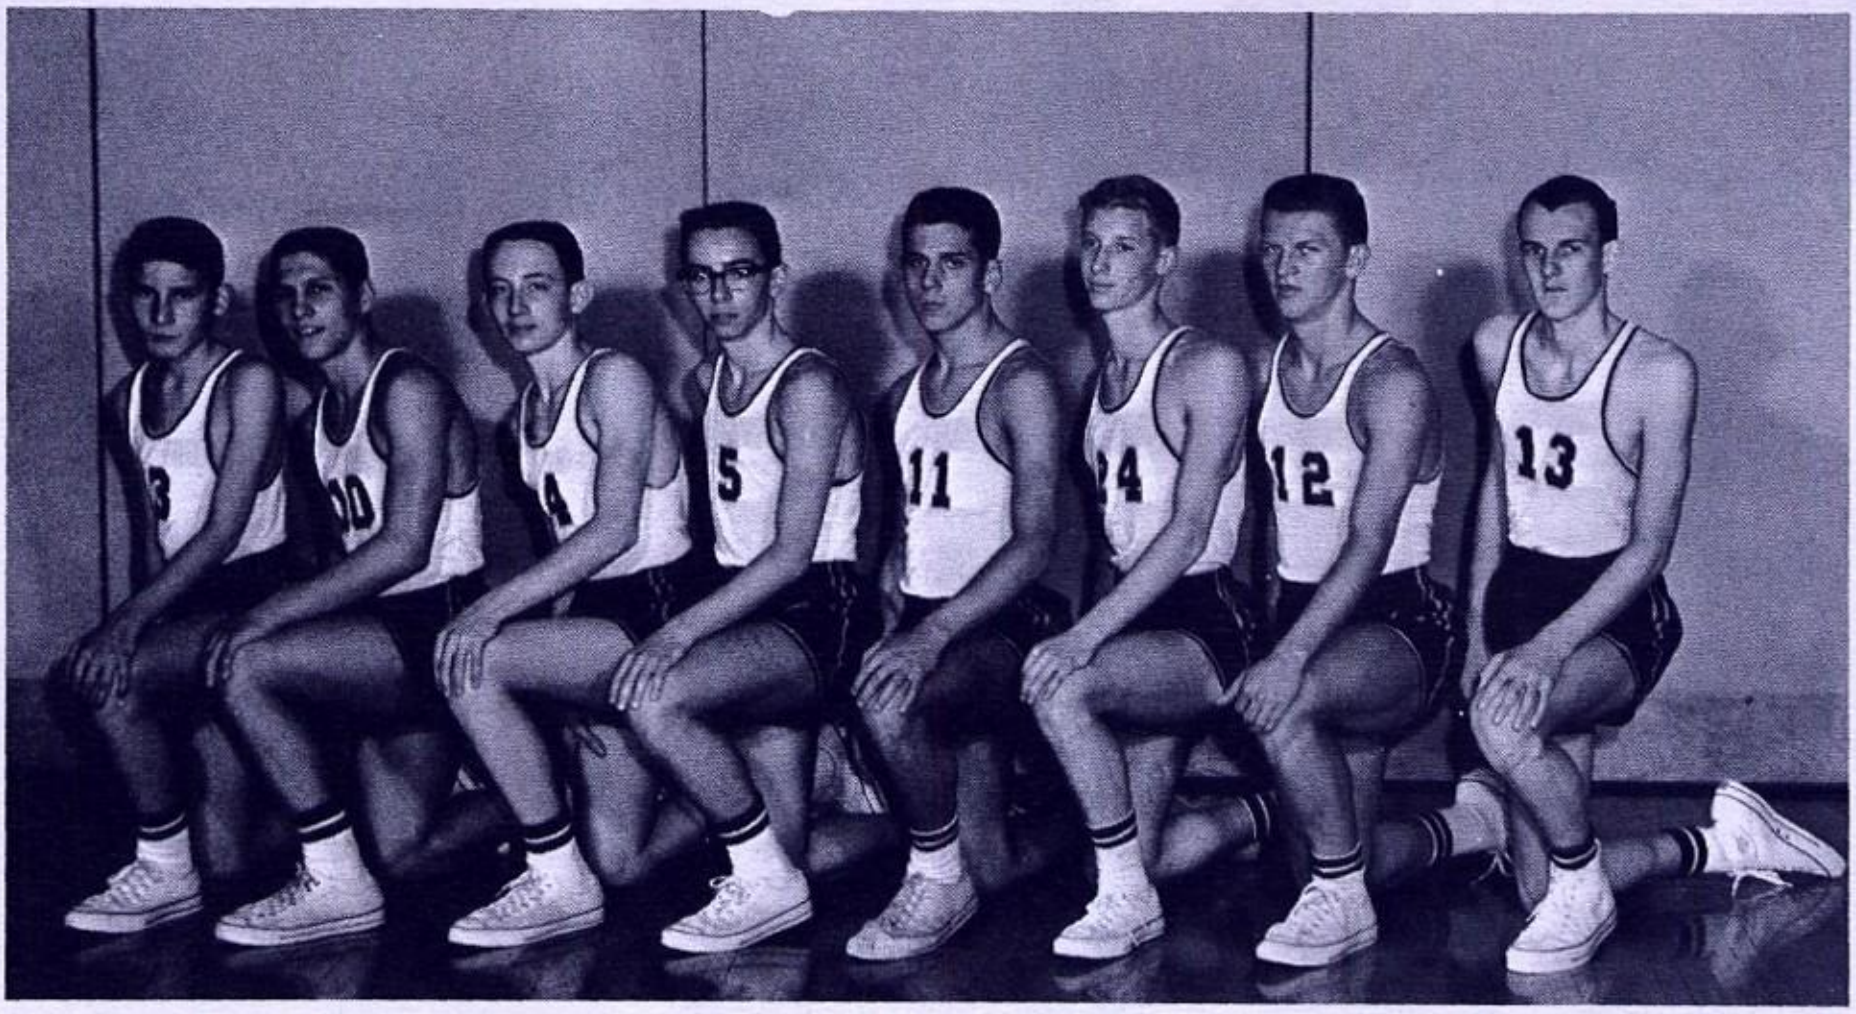
MANAGERS: D. Leister, E. Krause, R. Kolb, C. Schuster.

Highlight of the season was the U.M. game, in which Barry Kline scored 24 points to lead both teams. The shooting of Dennis Kleinbach and Stan Graber and the rebounding of Kline and Kleinbach added some exciting moments.

We congratulate the '64' basketball squad and the students who supported it. We also congratulate Mr. Ruby for fielding an exciting, hustling team, and we wish him luck in his future coaching career.



SENIORS: counterclockwise from top, B. Kline, D. Marks, J. Roth, A. Beard.



J.V. BASKETBALL: R. Keller, M. Roncace, J. Roth, K. Gabel, R. Moyer, D. Wilson, R. Godshall, R. Remick.

JUNIOR VARSITY

Helping to make U.P.'s basketball future brighter is the hustling Junior Varsity quintet. This year's team, adding to Mr. Duka's impressive J.V. coaching record, finished well up the ladder in Bux-Mont standings. As always, their games gave the fans a double basketball treat every Tuesday and Friday evening.

Among the J.V. headliners were Ronnie Moyer, who contributed shooting, rebounding, and defense to the Indians' game; Mark Roncace; Jim Roth; Ron Godshall; Dwayne Wilson; and Kenny Gabel.

The tribe won consistently and gave the home crowds many thrills and close finishes. Among their important wins were those over Souderton and Pennridge.

The future looks bright in two ways for the J.V. They will not only contribute many fine boys to next year's varsity quintet but also will receive a group of excellent basketeers from the Junior High squad.

KNEELING: L. to R., C. Greiss, P. Gebert. **STANDING:** D. Kuryllo, E. McLean, G. Schultz, L. Keyser.

GIRLS' BASKETBALL

Miss Kathleen Moyer, Mrs. Annette Bishop, Coaches.

An admirable display of good sportsmanship and adept skills helped to make this a highly successful season for the team. Under the excellent coaching of Mrs. Annette Bishop, the girls employed many techniques to develop their skills: the medicine ball, lengthy rope jumping sessions, and vigorous workouts.

Six varsity players returned to add experience and knowledge to the ambitious Squaws. The boundless scoring by Paulette Gebert, Carol Greiss, and Gayle Schultz, along with the expert guarding by Darlene Kuryllo and Elaine McLean, led the team to many victories.

Early in the season Upper Park hosted Boyertown in a practice game. Although still losing after three quarters of play, the Squaws put on a fourth period surge to defeat the Bearettes 38-36. North Penn, last year's champions, proved to be too powerful for U.P. as they came from behind in the last moments of the game to a 40-37 victory.

As the season progressed, U.P. earned two more wins: Quakertown and Hatboro. The overwhelming height of the Quakers proved ineffective as the Squaws revealed their dexterity in a crushing 57-34 victory. In a very close game with Hatboro, the Squaws maintained a small lead over the tall Hatters to ring up another U.P. victory.

With four more games facing them, the team worked enthusiastically to achieve a high league position and presented a record that U.P. is proud of.

JUNIOR VARSITY

The Junior Varsity, having made a shaky start, improved steadily with each game. Their enthusiastic attitude and aggressive play led them to many victories. Hard work and constant practice, supervised by Miss Kathleen Moyer, have helped to mold the girls into competent players. These factors, coupled with ever increasing experience, will insure the J.V.'s ability to fulfill its role as the future varsity.

TRACK TEAM THWARTS STIFF COMPETITION

COACHES: Mr. Joseph Procak, Mr. Stephen Ruby

Continuing his success in coaching, Mr. Stephen Ruby produced a track squad whose spirit, determination, and ability made this a successful track season. Assisted by Mr. Joseph Procak, coach Ruby began practices in early March, and, by the start of the season, had shaped a fine team of physically fit and mentally awake boys. In spite of rigid schedules and competition, Upper Perk had a team this year of which it could be proud for its display of ability and drive. Seniors on the squad were Steve Roth, Gary Freed, Barry Kline, Jim Hoffman, Bill Cleaver, Mike Whitman, Jay Mastin, Carl Fink, and Lars Sandven. These athletes were joined by many accomplished underclassmen. Among these were Kurt Weiss, Larry Mack, Robert Brand, and Galen Dulin. Congratulations to these boys and their coaches for a fine year of varsity track.

BASEBALL TEAM WINDS UP SPORTS SEASON

This year's UPHS's baseball squad displayed to spectators a number of exciting and successful games as well as giving indications of the excellent team fans can expect in the future. Returning lettermen along with a promising group of relatively inexperienced juniors and sophomores gave a fine exhibition of sportsmanship and well-played baseball.

Coached by Mr. William Keeny, the team relied on a strong field comprised of seniors Allen Beard, Dennis Kline, Philip Lipschultz, Perry Breyer, John Germes, Bob Reinwald, and juniors Stan Graber, Dennis Kleinbach, Bruce Schantz, Doug Bauer, and Dennis Hunsberger.

Helping to make future hopes even brighter was a promising group of J.V. ball players. These boys, coached by Mr. Walter Schmidt, performed very well throughout the season. Mr. Keeny is expecting to draw many fine prospects from this squad for next year's varsity team.

Both the boys and their coaches deserve credit for the determination and effort displayed in the diamond and for a season well-played.

SOFTBALL TEAM RANKS HIGH IN LEAGUE COMPETITION

Encouraged by last year's second place position, the girls' softball team began its season with determination and enthusiasm. With ten varsity letter-winners returning for another season, the team members had had more experience and practice than most of their rivals. Linda Keyser, Jane Baver, Marianne Miller, Peggy Stoudt, Sharon Miller, Susan Mensch, Gayle Schultz, Darlene Kuryllo, Paulette Geber, and Carol Greiss each played an intricate part in this successful season.

The pitching of Carol Greiss has been cited as the finest in the league, and her strike-out record is one of the best. The excellent combination of Carol's pitching and Paulette Gerbert's catching added greatly to the effectiveness of the softball nine.

Under the capable coaching of Miss Kathleen Moyer, the team met rigid standards of drill and competition. Both the coaching staff and the team should be congratulated on this year's fine record.

STUDENT COUNCIL FULFILLS LEADERSHIP ROLE

Since a yearbook is a pictorial and literary portrayal of a school, its students and their activities, through one year, no yearbook would be complete without a look at the organization which leads the student body.

The Student Council of 1964 probably best displayed its leadership through its span of activities including several dances, the annual Christmas "Decorate Your Door Contest," and Dress-Up Day. Several important purchases also resulted from the work of the Council: venetian blinds for the rear of the cafeteria, an artificial Christmas tree, and the yearly Student Council project. Funds, appropriated for various clubs, aided expansion or improvement of these clubs. Again the "Weekly Wigwam," a summary of the week's school news compiled by the Council's Publicity Committee, appeared in the local newspaper.

Officers traveled to State and District Council Conventions to learn more efficient and effective methods of student government.

The Student Council, under the guidance of Mr. Hagenaur and Mr. Arner, has sought a more active role in extracurricular activities and better representation of the student body. We are sure this goal has been achieved.

This year's National Honor Society displayed characteristic diligence in order to maintain the high standards of this organization. The qualifications of character, scholarship, leadership, and service — always important to all members — assumed a deeper meaning for seniors as graduation approached.

This year the Society supported an exchange student from Norway, Lars Sandven, through the sale of mums at both the Boyertown and Souderton football games. In the spring "fare share" tickets helped raise funds for graduation expenses. The tutoring service, initiated last year, expanded this year and offered special help to any student having difficulty with a subject.

Officers for the 1963-64 term were as follows: Dale Richard, President; Curtis Kistler, Vice-President; Phyllis Lipschultz, Secretary; and Connie Gaskill, Treasurer.

An impressive induction ceremony on February 21 climaxed a successful year for the Society. Among deserved congratulations, eleven new members entered the organization.

The Saga of **Walum Olum**

Having summoned students hopeful,
Leader fearless chose a council.
Mighty were its preparations;
Boastful were the haughty staff heads.
"We will make a yearbook lucid,"
Screamed the staff of **Walum Olum;**
"We will do the task gigantic,"
Chanted high and mighty seniors.

"Deadlines cometh, oh, so quickly,"
Whined the batty staff heads meekly.
"Where are all the photos fuzzy?"
"Who wrote this short write-up banal?"
Torn by labors long and grinding,
Left as hulks are after burning,
Staff heads blabbered, incoherent,
Looked to spring as their salvation.

Peaceful was the springtime setting,
Staff heads frisked and frolicked gaily,
Comes no more the vengeful deadline,
Buried are the pics and layouts.
Here come fresh and eager juniors,
Anxious for the task gigantic,
Smug the looks of senior staff heads,
Vengeance on the **Walum Olum!**
Leader fearless only smiles.

This year a new newspaper form was introduced at UPHS resulting in one of the most successful years in Perk-O-Lator history. Under the paper's new advisor, Mrs. Alice Tarone, Joe Taraskas, editor-in-chief, led a large staff of editors, writers and reporters.

The new miniature form with eight small-sized pages was published monthly. Printing on the school's new offset machine enabled the staff to present the paper to the students at a lower cost. These changes in price and style resulted in an increase in sales and interest.

Informative coverage of news events, provocative writing of editorials, and amusing presentation of jokes and features all contributed to the success of the monthly.

The varsity cheerleading squad has done an admirable job in reviving school spirit at UP. This year, in addition to the leading of cheers at games, they sponsored a football dance, "There's No Team Like Our Team." The five seniors and four juniors have also displayed countless pep signs throughout the halls of our school.

Five squad members, Sharon Miller, Barbara Schott, Carol Fogel, Linda Schwoyer, and Kathy Weiss, were responsible for introducing the many new cheers used this year. Last summer, at a camp conducted by the American Cheerleaders Assoc., they learned various jumps and chants, in addition to these cheers.

We extend a hand of thanks to this group of girls for a job well-done and appreciated.

The roll of drums . . . the blare of trumpets . . . unfurled flags in the breeze . . . the flash of silver batons. These were sights and sounds which added a festive note to every football game as the Upper Perkiomen Marching Band paraded onto the field to treat spectators to pre-game and half-time performances. Dressed in striking blue and gold uniforms, the band came out rain or shine to add a touch of color and pageantry to each football game.

During the year the band marched in many holiday parades and presented a special concert at the Benjamin Franklin Hotel prior to a speech by Gov. William Scranton to members of the Pa. School Board Association.

Later in the year some of the band's finest musicians were chosen to participate in the Bux-Mont District Band Festivals.

On May 2 the concert band, under the baton of Mr. Vincent Bercher, presented the annual spring concert to a packed house in high school auditorium.

Certainly no one can help but feel proud of this fine musical organization.

SUCCESSFUL CHORAL YEAR

Vocal music at U.P.H.S. in the past few years has seen many additions and improvements under the capable direction of Mrs. Nora M. Jacobs.

As a supplement to the original senior chorus, a concert choir was begun. This small group of selected voices, concentrating primarily on serious selections, entertained at school assemblies, at community gatherings, and at the traditional Christmas and Spring Concerts.

The Molly Potts Quartets, both senior and junior divisions, were originated for the purpose of performing close harmony numbers and proved to be very popular.

In addition to the established junior chorus, a junior boys choir was formed to promote interest in vocal music among the younger boys at U.P.

Last year, through the selling of light bulbs, the choruses bought blue and gold choral robes for the concert choir. Future efforts will be made to robe all the choruses.

For the first time, five U.P. chorus members — John Hallman, Mary Jane Fisher, James Hoffman, David Kreamer, and Karen Hamm — participated in the district chorus. John Hallman, a fine baritone, was also appointed to the State Chorus.

With these firm beginnings the choruses of U.P. will continue to progress and to present fine music to their student body and community.

FAIR EXCHANGE RESULTS IN FOUL PLAY

The Thespian talents of the class of 1964 were first tested when as juniors we presented a mystery-comedy, **Fair Exchange.**

The play centered around Peggy Wilson, senior honor student (portrayed by Carol Fogel) and Chet Armstrong (played by Bill Cleaver). John Hallman, Peggy's jealous boy friend, and Ann Stevens and Philip Lipschultz, Peggy's parents, had strong supporting roles. Ann Styer was delightful as the flighty school teacher who originated the exchange idea.

Chet's strange actions proved a mystery until Karen Reifsnyder, Peggy's sister, and Sheila Smith, discovered his true identity as a hold-up man. Quick thinking and a grab net saved the day and captured the criminal.

The moral of this scene — "Crime does not pay!"

"MR. FOREMAN, HAVE YOU REACHED A VERDICT"

SENIOR PLAY

"Mr. Foreman, have you reached a verdict?" As these familiar words were spoken by the bailiff (Dennis Kline), a full courtroom of witnesses anxiously awaited the foreman's reply. In this three act comedy-drama Karen Andre (played by Ann Stevens) was on trial for the murder of Bjorn Faulkner. This final dramatic performance chosen by the Class of 1964 was none other than Ayn Rand's **The Night of January 16th.** January 2 and 4 saw the stage transformed into the New York Superior Court No. 11 with Judge Wilma Heath (Karen Reifsnyder) presiding. While District Attorney Flint (Philip Lipschultz) attempted to prove Miss Andre's guilt, Defense Attorney Stevens (John Hallman) ably defended his client. How can anyone forget Magda Svenson (Ann Styer) with her comical Swedish accent or that extremely sophisticated dancer, Roberta Van Rensselaeu (portrayed by Doreen Bitting and Carole Groff)? In love with Karen, Larry Regan (played by John Raymond) seemed to add an air of perplexity to the murder as did the philanthropist John Graham Whitfield, Faulkner's father-in-law (James Hoffman). Throughout the various testimonies, Faulkner's widow, Nancy Lee (Carol Fogel and Doris Trexler,) sobbed mournfully. The jury, selected from the audience, was to determine the defendant's fate. In the first presentation Karen was acquitted, while a verdict of guilty of murder in the first degree was the decision of the second jury.

With the aid of Mrs. Anne Raymond, director, the entire cast truly displayed its acting ability to make this production highly successful and memorable.

HOMEMAKERS RECEIVE HONORS

The Future Homemakers of America, an active and ambitious group under the guidance of Mrs. Margaret Yoder, was founded at our school in 1947. In the years we have spent at U.P.H.S., the club has earned an impressive number of honors and awards in both State and local competition.

Two members of our own class, Connie Windish and Pat Townsend, have performed well as leaders of this progressive group. Connie, local FHA President, was elected to a state office when she attended the 1962 PFHA State Conference as a participant in the State fashion show. Pat, local historian, attended the conference twice as a delegate representing our chapter. Both girls were selected to receive the highest award given to an FHA member, that of State Homemaker.

In local competition the girls' hard work on group and individual projects has resulted in top prizes in both categories.

The FHA sponsers numerous activities throughout the year, such as the annual Harrisburg trip, sewing contests, and a local fashion show.

By fulfilling their motto, "Toward New Horizons," with a varied program of activities, these girls will develop into dependable leaders in home and community life.

FFA OFFICERS **SITTING:** L. to R., J. Mechler, C. Marks, J. Pfleiger, K. Engleman. **STANDING:** A. Karver, R. Himmelwright, R. Bolen, J. Derr. ADVISOR: Mr. Donald Evans.

In past years the Upper Perkiomen Chapter of the Future Farmers of America has distinguished itself on the State as well as the local level. Under the leadership of Mr. Donald Evans, the group's new advisor, the boys have compiled an impressive list of accomplishments.

At the Allentown Fair they captured first prize for their window exhibit entry and won the overall chapter championship. Judges at the Kutztown Fair also chose this exhibit as the best FFA. entry.

For the fourth consecutive year the window exhibit, one of nine entries competing for State honors, placed third despite stiff competition.

The parliamentary procedure team, headed by James Pfleiger, captured second place in the annual area contest.

Two seniors, Charles Marks and Kenneth Engleman, received the Keystone Farmer degree, the highest State award available to FFA members.

In the field of music two chapter members won Statewide honors. James Pfleiger was chosen as a member of the FFA Band, and Herbert Rittenhouse qualified to sing in the FFA Chorus.

Attesting to its wide scope of activities and quality of competition, the Upper Perkiomen FFA has received a superior rating from the State board this year.
